

CHANNEL PARTNER PROGRAM

OVERVIEW

Grow Your Business

Leverage the Power of Video

Video is everywhere, transforming every facet of our lives: how we work, learn, communicate, and entertain. As a new data type, video is becoming an essential tool for every organization, and is expected to be 80% of internet traffic by 2019¹. It's time to get the most out of video.

Join the Kaltura Channel Partner Program, harness the power of video and immediately increase your revenue opportunities by adding our services and solutions to your offerings. Our comprehensive partnership program is aimed at equipping your company with the solutions to drive new business and help your customers power their video experiences!

Partnership Tiers

Reseller: For companies looking to extend their portfolio of solutions based on Kaltura's products and services, Kaltura offers a comprehensive Reseller Program. Three different partnership tiers provide varying levels of benefits and resources to successfully support your investment, giving you the flexibility to match your company's specific needs with our program. With guided on-boarding and training, easily resell Kaltura's standalone offerings or bundle Kaltura solutions with your own to help your business grow.

Referral: For companies and agents that introduce Kaltura to their customers based on a one-time referral fee for closed deals, Kaltura offers a simple, easy-to-use Referral Program. This is a great way for partners to offer value-added video solutions to customers. Position yourself as a leading technology provider and differentiate yourself from the competition by enhancing your offering with video tools that every organization in today's digital age needs.

OEM: For software vendors adding video to their offering, collaborating with Kaltura to grow bundled joint sales, Kaltura offers an OEM partnership. With limited setup and configuration required to get started, OEM partners can quickly and easily deploy a joint solution to begin selling almost immediately. Bridge the digital gap for your clients by seamlessly adding video tools that meet the needs of any organization to your product suite.

About Kaltura

Kaltura's mission is to power any video experience. A recognized leader in the OTT TV (Over-the-top TV), OVP (Online Video Platform), EdVP (Education Video Platform), and EVP (Enterprise Video Platform) markets, Kaltura has emerged as the fastest growing video platform, and as the one with the widest use-case and appeal. Kaltura is deployed globally in thousands of enterprises, media companies, service providers, and educational institutions and engages hundreds of millions of viewers at home, at work, and in school. The company is committed to its core values of openness, flexibility, and collaboration, and is the initiator and backer of the world's leading open-source video-management project, which is home to more than 100,000 community members.
