Today's technology makes it easier than ever to reach more people - but harder to get their attention. That's why leading houses of worship are creating digital strategies to leverage the power of video to further their missions and strengthen their ties to their communities. Kaltura's video solutions, already in use by millions of end users, help ministries broaden their reach and become part of their congregants’ daily lives. With dedicated support to ensure performance, Kaltura can help deliver your message and increase your visibility far beyond your physical walls.

**KALTURA VIDEO SOLUTIONS FOR HOUSES OF WORSHIP**

*Solutions That Transform Faith-Based Organizations in the 21st Century*

**UNITE MULTIPLE FACILITIES**
Stream live HD content to multiple facilities, regardless of location, device, or network. Spread your visionary leader's inspirational message to geographically dispersed congregations.

**EXPAND ONLINE PRESENCE**
Adding video to your website brings your message to life, increases visit duration, and reduces bounce rate. Create an inspiration experience for online viewers with galleries of content. Interactive tools and social features increase engagement.

**UNIFY YOUR CONGREGATION**
Ensure worshipers never miss a sermon with DVR and video on demand. Make content available anywhere, at any time, on any device.

**SUPPORT YOUR MINISTRY**
Increase opportunities for online giving. Host online fundraisers or pledge drives with paywalls, registration forms embedded directly in a player, and more.
**ENGAGING CONTENT**

- Out-of-the-box video portal for sermons, lectures, interviews, musical performances, and more
- Reliable, high quality, low-latency broadcasting for live events
- Comments, likes, and other social tools to drive interaction
- Can embed registration forms and attach documents directly in the player
  Automated Closed Captioning
