

KALTURA VIRTUAL CLASSROOM

Powering Learning Experiences for the Modern Classroom

Kaltura Virtual Classroom provides an easy-to-use experience purposely built for online instruction. With a click of a link, instructors and learners alike can engage one another as if they are in the same room, no installation needed! Kaltura Virtual Classroom is fully brandable to highlight your organization's branding as you engage your learners through interactive tools like a digital whiteboard, screen sharing, breakout rooms, real time notes, live quizzes and a whole lot more. Kaltura meets students where they are by providing an optimized experience standalone or integrated to your LMS.

BE THERE IN A CLICK

Easy to join virtual classrooms where participants interact face-to-face from anywhere and on any device. No downloads or installations required.

CREATE LEARNING SPACES THAT ARE HERE TO STAY

Kaltura's Virtual Classrooms are persistent rooms. Instructors can prepare their rooms ahead of time, customize and brand them, leave, come back, and continue where they left off.

ENGAGE STUDENTS WITH INTERACTIVE TOOLS

Fun and collaborative tools like whiteboard and real-time quizzes keep students focused and actively participating. Breakout rooms allow for smaller group interactions.

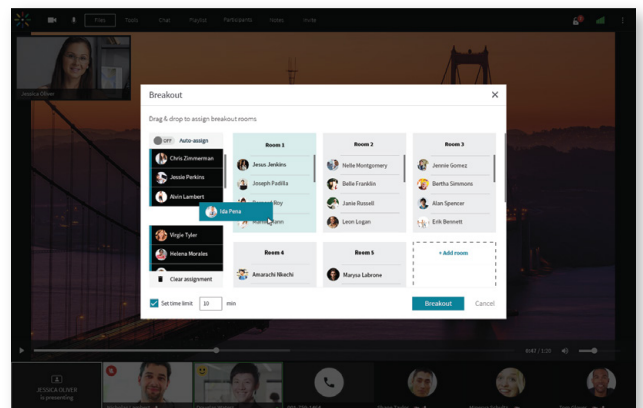

INTEGRATE VIRTUAL CLASSROOMS INTO YOUR EXISTING SYSTEMS

As part of the Kaltura platform, your meetings are easily integrated into your learning management system (LMS) and other platforms and workflows.

EXTEND THE SHELF-LIFE OF YOUR LECTURE

Kaltura provides an end-to-end solution for the entire meeting lifecycle: from real-time to VOD provides editing, enrichment, and analytics tools that make content easily reusable anywhere.
