## Kaltura's magical thumbnail API

Osher Lifelong Learning supported by Kaltura at University of Michigan

**Speaker: Melinda Kraft**, Business Systems Analyst Lead at University of Michigan

When you need to create 500 Canvas Catalog courses from 500 Kaltura videos, you'll take all the help you can get. In this presentation you will learn all about an API we take for granted and see just how helpful it can be.

10:45 AM - 11:00 AM

## Calculating your route: What does the data tell us?

**Speaker: Matt Davis**, SVP, Americas Education at Kaltura

Armed with aggregated data from millions of videos, we'll review trends in higher education, what's hot and what's not in today's digital climate, and how to keep your audience interested and engaged.

11:00 AM - 11:20 AM

## Pedal to the metal: Emerging trends in hybrid education

**Speakers: To be announced soon**

We did some primary research to better understand how institutions view and value hybridity, both in the classroom, and beyond. We can't wait to share the results with you!

11:20 AM - 11:30 AM

## Pit stop

Take a breather, grab a drink, and let's keep going

11:30 AM - 12:15 PM

Partner  
Spotlights

## Teamwork wins the race

**Speakers: Representatives from 3Play, Epiphan, & Ziotag**

Fielding a winning team requires partners that give you an edge. Hear from the teams that enrich and extend Kaltura's solutions. Need video enrichment? Looking for classroom hardware? We've got you covered.

12:15 PM - 01:00 PM

## Time to refuel

Eat, drink, connect, enjoy **Lunch**

01:00 PM - 01:45 PM

Roundtables

## Sharing the lane to success: Together is better

Why sit back when you can actively participate?!

The best part of bringing our most passionate users together is sharing best practices and innovative use cases. This roundtable session brings sharing front and center. We'll split up into tables and address common challenges, as well as new and interesting ways in which video is being used across different campuses.

01:45 PM - 03:00 PM

## The road behind us and the road ahead: Kaltura product insights

**Speakers: James Vlisides**, Team Lead Solutions Engineer, Americas Education at Kaltura  
**Stephen Clark**, Sr. Solutions Engineer, Americas Education at Kaltura

We'll take a look at what we've done in this past academic year, then step on the gas for the road ahead. Expect to see demonstrations and sneak peeks into the future.

## The IU Digital Gardener Initiative: A digital innovation story

**Speaker: Justin Hodgson**, Ph.D., Co-Director, Digital Gardner Initiative, UITS Learning Technologies, Indiana University Director of Online FYC and Associate Professor of Digital Rhetoric, Dept. of English, IU Bloomington

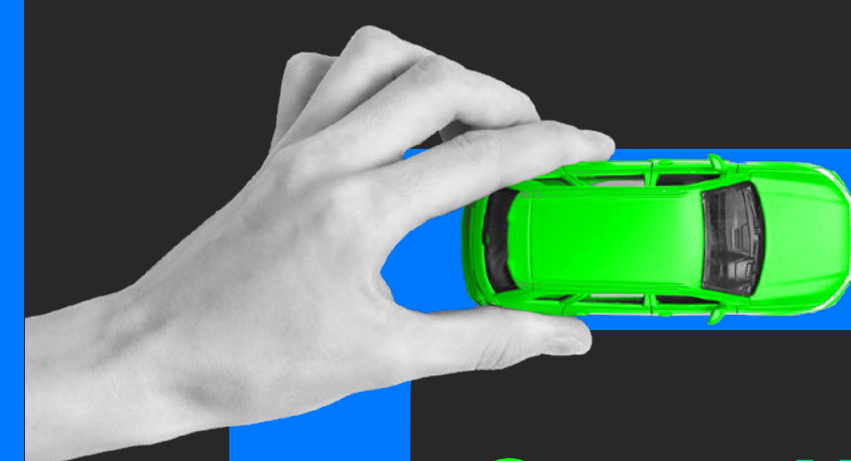

This presentation will focus on the Digital Gardener Initiative at Indiana University, a multi-tiered digital innovation strategy designed to better integrate digital literacy, creativity, and learning across the curriculum. More specifically, it will cover the program's design and evolution, highlight core impact strategies, and feature three approaches for (and examples of) integrating digital literacy into the curriculum.

03:30 PM - 03:45 PM

## Crossing the finish line (It's schmooze o'clock)

Closing remarks and networking

## \* Open Kaltura is in the house!
