

* All times are in EDT

09:30 AM - 10:00 AM

Starting line

Sign in, say hello, grab some coffee

10:00 AM - 10:10 AM

Start your engines!

Let's kick things off with a few opening words from the Kaltura team, and a warm welcome from the University of South Florida's Associate VP, Innovative Education, **Christine Brown**.

10:10 AM - 10:40 AM

Panel

How the University of South Florida gets things done!

Panelists:

Chad Garcia, Learning Design Project Manager, USF
Christie Nicholas, Director, Learning Design and Research, USF
Lindsey Mercer, Associate Director, Digital Learning Training & Support, USF

Join USF's Digital Learning team for an inside look at the strategic rollout and implementation of Kaltura's solutions across the university. The team will share their phased approach to implementation, practical use cases, and creative examples of how they leverage Kaltura for faculty development, credit and noncredit courses, and digital learning initiatives. Attendees will come away with practical ideas for getting the most out of Kaltura at their own institution.

10:40 AM - 10:50 AM

Calculating your route: What does the data tell us?

Speaker: Matthew Davis, SVP Customer Success, Education at Kaltura

Armed with aggregated data from millions of videos, we'll review trends in higher education, what's hot and what's not in today's digital climate, and how to keep your audience interested and engaged.

10:50 AM - 11:10 AM

Pedal to the metal: Emerging trends in hybrid education

Speaker: Matthew Davis, SVP Customer Success, Education at Kaltura

We did some research to better understand how institutions view and value hybridity in the classroom and beyond. We can't wait to share the results with you!

11:10 AM - 11:20 AM

Pit stop #1

Take a breather, grab a drink, and let's keep going

11:20 AM - 12:15 PM

Partner
Spotlights

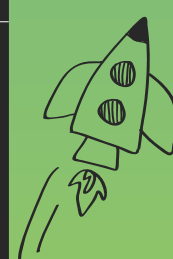

Teamwork wins the race

Representatives from **Brand3D**, **3Play Media**, **Ziotag**, and **Epiphan**.

Fielding a winning team requires partners that give you an edge. Hear from the teams that enrich and extend the Kaltura solution. Need video enrichment? We've got a team for that. Looking for hardware? We've got you covered.

We will wrap up with a Kaltura demonstration of our partner solutions within REACH workflows.

12:15 PM - 01:00 PM

Time to refuel (aka Lunch)

Eat, drink, and connect with colleagues, partners, and Kaltura experts

Lunch

01:00 PM - 01:50 PM

USF innovative education studio tour

Speaker: Christine Brown, Associate VP, Innovative Education

We'll take a walking tour of the USF Innovative Education Studios and stop at the ice cream bar for refreshments.

01:50 PM - 02:00 PM

Pit stop #2

Time to hydrate, etc.

02:00 PM - 02:30 PM

Roundtable
discussion

Driving with the pros: Thought leadership roundtable discussion

Panelists:

Christine Brown, Associate VP, USF Innovative Education
Muriel Reyes, Instructional Technologist, Florida Gulf Coast University
Thomas Ellis, Director, Solutions Enablement Sales, Digital Transformations, Kaltura (formerly Liberty University)
James Vlisides, EDU Team Lead Solutions Engineering, Kaltura (formerly University of Wisconsin)

An engaging session with our guest experts, who will discuss how higher education is pivoting to address today's challenges using digital tools to deliver improved learning experiences online, on campus and hybrid. More specifically, how they are improving the student experience and positively impacting higher education. Audience participation welcome.

02:30 PM - 03:30 PM

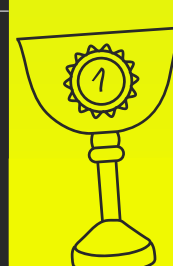

The road behind us and the road ahead: Kaltura product insights

Speakers:

James Vlisides, EDU Team Lead Solutions Engineering, Kaltura
Ben Emery, Sr. Solutions Engineer, Kaltura
Thomas Ellis, Director, Solutions Enablement Sales, Digital Transformations, Kaltura

Let's take a look at what we've accomplished in this past academic year, then step on the gas toward the road ahead. Expect to see demonstrations and sneak peeks into the future of higher education and ed-tech.

03:30 PM - 03:45 PM

Crossing the finish line

Kaltura wrap-up & closing remarks
